

TARGETED DISPLAY ADS

Creative Visual Ads catered to your target audience, with the intent on selling a product, or creating brand awareness. They can be static, .gif, or even video images & can appear on any site with open ad space.

AUDIENCE

Who is your perfect customer? Think about their age, their interests, hobbies, even their annual household income. Let's get creepy!

LOCATION

Where does your audience live? Do you want to receive traffic or orders from different parts of the city/state/country? Yeah - we can do that!

RETARGETING

Now What? Users are visiting your site or searching for your services. Let's serve them another ad & convince them to complete a purchase.

OPTION 1: \$500/MONTH

50,000 Impressions served to your target audience through out the month. This campaign includes 2 tactics + Website Retargeting
